You also have the right to opt-out of “sales” and “sharing” of your Personal Information through the use of an opt-out preference signal. If we detect that your browser or device is transmitting an opt-out preference signal, such as the “global privacy control” or “GPC” signal, we will opt that browser or device out of cookies that result in a “sale” or “sharing” of your Personal Information. If you come to our Site or use our Services from a different device or from a different browser on the same device, you will need to opt-out, or use an opt-out preference signal, for that browser and/or device as well.
